MHRD Govt. of India AICTE

Sr. No.	Department	Course
1	IT	Fundamentals of Database Systems
2	CSE	1. Design and analysis of algorithms 2. Cloud computing
3	ETC	1. Enclosure design of electronics equipment 2. Design of photovoltaic systems
4	Auto	Fundamentals of Manufacturing Processes - S.Y. B. Tech.
5	Mechanical	Vibration of structure - S.Y. B. Tech.
6	Electrical	1. Networks and systems 2. Electrical machines - i 3. Analog Circuits and Systems through SPICE Simulation 4. Computational Electromagnetics & Applications 5. Applied Electromagnetics for Engineers 6. Controls engineering 7. Power system analysis 8. Analog Circuits and Systems through SPICE Simulation
