**Subject:** Financial support for conducting Idea competition for: UG and PG Students.

Dear Sir/madam

We have planned to conduct Idea competition every semester for UG and PG students. The purpose of this competition is to encourage students to develop innovative ideas and also develop their out of box thinking ability. The winners of the idea competition from each department will be given cash prizes and certificates. The expenditure on this event is around Rs. 26,000/- every semester.

I kindly request you to provide financial support for this event.

Thanking you

Yours Sincerely
