Subject: Invitation to be Guest Speaker for webinar on "Implementation of Autonomy - RIT Case Study" on 04-10-2021

Dear Madam,

Greetings from G.S. Mandal's Maharashtra Institute of Technology (MIT), Aurangabad.

Hope that you and your family are healthy and safe during these uncertain and unprecedented times of COVID-19 pandemic.

NAAC has accredited MIT with Grade 'A'. Institute has received recognition under Section 2(f) and 12 (B) of the UGC Act, 1956 and recently received the esteemed autonomous status from the academic year 2021-22.

As a part of quality initiative by IQAC of this institute, we wish to invite you as a guest speaker to deliver webinar on "Implementation of Autonomy - RIT Case Study" which will guide all our faculty members including senior persons holding various administrative responsibilities at our institute regarding functioning under autonomous status. This will help to prepare ourselves for better functioning and make full use of the autonomy for the betterment of our students and in the interest of all other stakeholders.

We value your knowledge and expertise and believe that your association with us as a mentor will surely strengthen the academic quality initiatives at our institute.

You are requested to conduct the session on 4th October 2021 at 3.00 pm via online mode.

Look forward to have your favorable response.

Date: 13th October 2021

Sub: Invitation Letter to Keynote Speaker

Dear Prof. Dr. Sushma Kulkarni

On behalf of an The 3rd Asean Symposium for Science, Engineering, Economic, and Education (ASSEEE), I am pleased to invite you on The 3rd ASSEEE that will be held on 07 November 2021. The theme in symposium "Empowering Students Research Ability in Facing Sustainability Deveompemnt in 4.0 in Conjunction with Summer School Program "Eco Vocational School Sustainability in 4.0". The target brings the student can make research colaboration in our country together and exports more work related. We want to try to bring together the best brains in our country.

The event is scheduled for 07 Vovember 2021, from 08.45 AM in zoom meeting, program being curated by Kantor Jurnal Publikasi Universitas Pendidikan Indonesia, with an audience of about, made up of students in member ASSEEE. Our goal is to build awareness of the broad array of career opportunities in cybersecurity available to students and adults. Your discussion will be a great addition to our event.

We believe your voice would be a critical addition to the Symposium stage. Please let us know by whether or not you would be interested in speaking. Thank you in advance for your consideration, and we very much look forward to hearing from you.

Best Regards,

Sub: Invitation as a Resource Person for one week Self-Financed Short Term Training Program (STTP) under ISTE on "Eco-friendly Engineering : Concepts & Trends".

Respected sir,

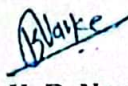

VVIT, Pal, established in 2009, is approved by AICTE, recognized by DTE and affiliated to MSBTE, Mumbai including Five diploma programmes including Civil, Computer, Electrical, ENTC and Mechanical Engineering with Computer and Electrical Engineering being NBA Accredited.

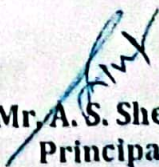

We are organizing one week Self-Financed Short Term Training Program (STTP) under ISTE on "Eco-friendly Engineering : Concepts & Trends". The said STTP will be helpful for all teachers to improve themselves with overall development from all aspects of teaching. We are planning to organize all sessions through online. The detail guidelines will be shared you soon.

We hereby request you to accept our invitation as a resource person for the topic "Eco-friendly Engineering : Concepts & Trends" on 16th February, 2022.

Waiting for your positive and immediate reply.
Thanking you.

in the enhancement of staff member's learning.

Dear Sir,

With reference to the aforementioned subject I, the undersigned, extremely delighted to appreciate and thank you for delivering the most informative and content based guidance to the staff members from the institutions all around Maharashtra. It wouldn't be exaggeration that you have given a sort of 'Intellectual feast' to all the staff members who enjoyed a lot while having the taste of it.

I was happy to learn that your outstanding efforts will definitely help staff members to enhance their learning through this session. It will also help them to reach at the peak of success in their respective field and career. We believe that your organization provided an excellent platform for the staff members as it was theoretical, experimental and practical.

Once again I extend the warmest thanks for all your efforts and shared expertise which will bring the milestone in the staff member's life. We would be honored to be in touch with you in future as well.

Subject: Invitation as Expert Speaker.

Dear Madam,

Greetings from YSPM'S ,Yashoda Technical Campus, Faculty of Engineering, Satara!!!

Hon. Shri. Dasharath Sagare sir has established Yashoda Shikshan Prasarak Mandal (YSPM) education trust, was established in the year 2009. The trust also has institutes working in the field of Primary, Secondary & Higher Secondary School education for over 33 years. YSPM has many eminent personalities from the field of education and industry on its advisory body, whose rich experience and guidance benefit YSPM.

Yashoda Technical Campus (YTC) was established to impart quality technical education at an affordable cost and contribute to the industrial growth of our nation. The institution is approved by All India Council for Technical Education (AICTE), New Delhi; recognized by Directorate of Technical Education (DTE), Government of Maharashtra. Yashoda Technical Campus has been rated as B+ Grade by NAAC council in the year 2018.

CSE Department was established in the year 2011. It offers an undergraduate course with an intake of 120 students. It has state of art laboratories equipped with all the required facilities to nurture students and to provide them with the industrial exposure.

We are pleased to **invite** you at Department of Computer Science and Engineering, YSPM's, Yashoda Technical Campus, Faculty of Engineering, Satara as an **expert speaker under ISTE sponsored online FDP on "Applications of machine learning" from 22nd - 26th Aug 2022**. Your session contents and timing will be soon conveyed to you on acceptance.

We hope you will be able to fit the event in your busy schedule. The participant and organizers will be benefit a lot from your expertise in the topic.

We look forward to your positive response towards accepting our invitation.

ABOUT FDP

Recent advances in manufacturing trends and technologies are helping manufacturers to improve efficiency, precision, and quality while reducing waste and environmental impact. Recent advances in manufacturing are transforming the industry and providing new opportunities for teaching and research. By staying up-to-date on the latest trends and technologies, can help to prepare students/faculty for careers in this rapidly evolving field and contribute to the advancement of manufacturing knowledge. Rapid manufacturing tools, micro machining, cryogenic machining, and micro EDM are all recent advances in manufacturing that are transforming the industry in different ways.

COURSE HIGHLIGHTS

The following topics will be covered in this Faculty Development Program.

- ◆ Rapid Manufacturing Tools
- ◆ Micro EDM
- ◆ Industry 4.0 technologies in Manufacturing Technology
- ◆ Cryogenic Machining
- ◆ Micromachining

ABOUT DKTE

Ichalkaranji is situated in western region of Maharashtra state. In 1980 the decentralization of power loom Industry in Ichalkaranji was started at a very rapid rate. But there was no technical educational institute which could cater the industry's need of skilled technical man power. Nine co-operative organizations from Ichalkaranji therefore, came together under the leadership of Mr. K. B. Awade (Ex. M.P) in 1981 to form an Education Society, this Society was named after Shri Dattajirao Kadam, a veteran leader and an ardent co-operator, and who was mainly instrumental in the development of Textile Industry at Ichalkaranji. Thus, the Dattajirao Kadam Technical Education Society, popularly known as DKTE, came in to existence with a view to start institutes and colleges to cater to technical education in the field of textiles, engineering, management and other related disciplines.

ABOUT INSTITUTE

DKTE Society started diploma courses with 5 disciplines Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering in the academic year 2012-13. The total intake of the institute is 300. This institute also holds a prestigious ISO 9001:2015 Certification and has been Awarded the Best Polytechnic In Maharashtra 4 times. The management has provided excellent infra structural facilities and highly qualified staff. As a result of this, a very high standard of education is maintained. Besides regular teaching, this institute is well known for its interaction with the industry Which Results In the Latest Industrial Training to our students and faculties as well which helps us to achieve the 100% placement benchmark every year.

INSTITUTE VISION

To become an excellent academic hub to develop skilled technocrats by imparting quality technical education for development of industry & society.

INSTITUTE MISSION

- 1) To provide sound technical education through academic excellence.
- 2) To give the industrial exposure to the students by industry-institute interaction.
- 3) To inculcate technical competence & values for professional career.
- 4) To enhance ethical, societal concern & lifelong learning skills.

DEPARTMENT VISION

To provide best quality technical education in the field of Mechanical Engineering to create skilled technocrats to serve industry & society.

DEPARTMENT MISSION

- 1) To provide a platform to the students towards attaining quality education in Mechanical Engineering.
- 2) To create appropriate industrial interaction to meet ever-changing demands of industry.
- 3) To mould students for lifelong learning skills to face challenges with innovations.

Subject: Regarding Invitation to be a Resource Person in FDP.

Resp Sir,

The FDP is designed to equip participants with the requisite knowledge, skills, and pedagogical tools necessary to integrate cutting-edge concepts related to Advancement in Environmental Engineering into their teaching methodologies. By search through Environment Engineering, technological innovations, and best practices in the field, educators will be better positioned to cultivate a generation of students capable of addressing the environmental issues of the 21st century. The overarching goal is to empower faculty members to in still a sense of environmental responsibility in their students, fostering a generation that is not only knowledgeable about Engineering but also adept at implementing solutions for a Sustainable future.

It is a great pleasure to invite you as a speaker for the Faculty Development Program which will be held on 20 to 22nd February 2024 on the topic advancements in Environmental Engineering. The Schedule for the session is from 02:30 pm to 04:30 pm.

We believe your unique experience and expertise in the field will contribute to an exciting session on FDP. Our team is eagerly awaiting your reply with your availability and the ideas you would like to include in your presentation.

Thank you for your consideration. We look forward to hearing from you!

Regards,
Principal

Subject: Regarding Appreciation as a resource person for the Five Days Workshop on "Electric Vehicles".

Dear Sir,

We feel proud to place on record our deep sense of gratitude to you for delivering thought provoking presentation for the Five Days Workshop on "Electric Vehicles" on the topics "Introduction to Electric Vehicles" & "Energy Storage Systems for EV" organized by our Sant Gajanan Maharaj College of Engineering, Mahagaon (Department of Mechanical Engineering & Electrical Engineering) under the "Lead College Cluster-21", Shivaji University, on 26th March 2024.

The clarification given by you were quite helpful. Your presentation was very expressive and your session has benefited all of us and all the participants enormously.

Thanking you,

Subject: Thanking letter for conduction session on "Electrical Vehicle Technology"

Dear Sir,

This is to express our heartfelt gratitude towards you for accepting our invitation and delivering an outstanding session on "Electrical Vehicle Technology" to our Electrical Engineering students on 08/02/2024 at our college premises.

Your expertise and insights into the subject matter were truly remarkable and greatly appreciated by both the faculty and the students. The session not only enriched our students' understanding but also helped bridge the academic gap in various aspects, particularly in relation to the Program Outcomes (POs) outlined below:

PO02: Problem analysis, PO04: Conduct investigation of complex problem, PO06: The engineer and society, PO06: Environment and Sustainability & PO12: Life-long learning.

Your comprehensive coverage of these POs has undoubtedly contributed to the holistic development of our students, preparing them to tackle real-world challenges and fostering a sense of responsibility towards society and the environment. We are immensely grateful for your valuable time, effort, and dedication in sharing your knowledge and expertise with our students.

We look forward to the possibility of collaborating with you again in the future and continuing this enriching partnership. Once again, thank you for your invaluable contribution to our academic endeavors.

Thanking you once again.

Respected Dr. Samir Bhagawan Kumbhar,

I am writing to express my deepest gratitude for the exceptional online session you conducted on "Framing the Syllabus for Autonomous Colleges," organized for the Mechanical Engineering Department at our institute.

Your **insightful presentation and comprehensive approach** provided us with invaluable guidance on how to strategically develop and structure our syllabi to meet the unique needs and challenges faced by autonomous colleges. The depth of your expertise in the field of education, particularly in **curriculum development**, was evident in every aspect of the session. Your practical examples, coupled with the innovative methodologies you shared, have empowered us to approach syllabus design with a new perspective, ensuring that our educational programs are not only relevant but also aligned with industry standards and technological advancements.

Moreover, your willingness to engage in detailed discussions and address the numerous queries presented by the faculty members added tremendous value to the session, making it not just informative but also interactive and engaging. The tools and resources you recommended have already begun to shape our thinking and planning processes as we work towards enhancing our curriculum.

The feedback from the faculty has been overwhelmingly positive. Your session has not only enriched our knowledge but also inspired us to strive for excellence in education, ensuring that we provide our students with a learning experience that is both rigorous and relevant.

On behalf of the Mechanical Engineering Department, I would like to extend our sincerest thanks for your valuable contribution to our ongoing efforts to achieve academic excellence. We look forward to the possibility of collaborating with you in the future and hope to welcome you back for more such enlightening sessions.

Thank you once again for your invaluable insights and for making a significant impact on our academic community.

Respected Sir,

RWMCT'S Dnyanshree Institute of Engineering and Technology Sajjangad Road, Satara (DIET), is a well-known Engineering Institute, located in Western Maharashtra region, established in year 2012 under the able guidance and leadership of Hon. D. B.(Bhai) Wangde with broad social vision of imparting true Engineering education to students. Institute is offering five undergraduate courses viz. Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics & Telecommunication Engineering, and Mechanical Engineering along with two diploma courses namely Electronics & Telecommunication Engineering, Mechanical Engineering. DIET has industry supported Incubation Centre.

It gives an immense pleasure to invite you as **Resource Persons** to address for **VALUE ADDED PROGRAM : "Design of Mechatronic Systems"** on **31st August 2023**. Your experience and expertise would enable our students to gain the additional knowledge.

Anticipating a favorable reply from your end.

Thanking you in anticipation.

Subject: - Invitation as a resource person for a Short Term Training Program (STTP) on "Effective Teaching Learning Processes"

Respected Sir,

RWMCT's Dnyanshree Institute of Engineering & Technology, Sajjangad Road, Satara (DIET), is an Engineering Institute, located in Village Sonavadi- Gajavadi, Satara. The institute was established in the year 2012 under the guidance and leadership of Hon. Chairman Mr. D. B. Wangde (Bhai). The Institute is functioning with a broad social vision of imparting quality Engineering education to students, majorly from the rural sector. The institute is approved by the All India Council for Technical Education, New Delhi, and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere. The institute is also accredited by the National Assessment and Accreditation Council.

The Institute is offering five undergraduate courses viz. Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering along with two diploma courses namely Computer Science & Engineering and Electronics & Telecommunication Engineering. One of the paramount features of DIET is that it has an industry supported laboratory setup, center of excellence and incubation center. Performances of students are noteworthy in various domains.

It is a great pleasure to invite you as a resource person for a Short Term Training Program (STTP) on "Effective Teaching Learning Processes" on Date: 02/02/2024, Time: 03:00 pm to 05:00 pm at our institute. The STTP Program aims to bring together key stakeholders and experts in the field of education to discuss and deliberate on the implications and implementation strategies of the teaching Learning Processes.

Kindly confirm your invitation to ensure that we can make the necessary arrangements for your presence. Thank you.
