
“ENGINEER’S DAY CELEBRATION”

Date: Friday, 15/09/2022

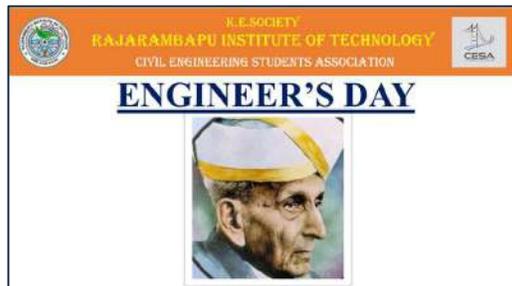

Time: 04:00 to 5:00 pm

The Rajarambapu Institute of Technology (RIT) celebrated Engineer's Day on September 15, 2022, with an inspiring event organized by the Civil Engineering Student Association (CESA). The gathering featured distinguished guests, including Chief Guest Er. Sharad Kumbhar, along with Satyajeet Patil, President of the Walwa Taluka Engineers Association, and Umesh Raygandhi, President of Credai Islampur.

Third-year B.Tech students thoughtfully hosted the event, guiding the audience through a series of insightful speeches. Dr. S.S. Kumbhar, Dr. P.D. Kumbhar, Dr. H.S. Jadhav, and Prof. D.S. Patil offered valuable perspectives that enriched the experience. Additionally, student representative Saurabh Patil shared the thoughts and aspirations of his peers, followed by an engaging address from Er. Sharad Kumbhar, inspired the attendees with his extensive knowledge and experience.

The celebration concluded with a heartfelt vote of thanks, reflecting the strong collaboration between faculty and students that made the event both successful and memorable. This gathering honoured engineers and strengthened the bonds within the RIT community, fostering a spirit of learning and collaboration for future endeavours.
