## **Minutes of the meeting:**

The Parent Teachers Meeting for all classes was scheduled on 30<sup>th</sup> October, 2021 at MSTEAM Platform. The main objectives of this meet are

1. Share the academic progress and growth of the department.
2. Exchange views and ideas regarding the improvement of the department.

The Parents were intimated about the meeting well in advance through ERP System (by sending SMS, WhatsApp messages etc) of our college and class monitors.

The meeting started with the welcome address by Prof. P.R. Gavali. Dr. S.A. Thorat HOD, Computer Science and Information Technology, made parents aware of working culture of department and addressed the parents regarding the academic progress and growth of the department. It was a great interaction between the teachers and the parents in the development of their children where they discussed both the strengths and areas of improvements.

## **Following are the questions raised/suggestions given by the parents:**

- 1) Parents suggested that college should invite more companies for Internships and campus interviews.

2) Provide the guidance for getting the higher studies.

2) Parents are requested to take the care of their wards by following the all the guidelines given by the Government in line with the Covid 19 pandemic.

### **ATR on Parents queries**

1) Dr. S.A. Thorat HOD, Computer Science and Information Technology has shared the last three years' placement statistics of department and giving assurance to the parents for support their Childs in getting the Internship as well as campus interviews by inviting more companies.

2) The department will provide the guidance to the students for getting the higher studies by arranging the counseling sessions, awareness workshops etc.

3) Institute strictly follows the all the guidelines given by the Government in line with the Covid 19 pandemic.

### **Outcomes of Parent Teachers Meeting:**

1. Around 92 parents attended the Parents - Teachers Meeting.
2. It also resulted in improvements in both student attitudes and behavior, and teachers' pedagogical practices.
3. The intervention encouraged parents to spend more time assisting their children and monitoring their college work.
4. The treatment effects are robust across parental, teacher, and college-level characteristics, and the findings indicate that programs for stimulating parent-teacher interactions are cost-effective, easy to implement, and easy to scale up.

Parents expressed their happiness for having their ward studying in our esteemed Computer Science and Information Technology. They also expressed their gratitude regarding the care taken by the Department for the Growth of their wards. Finally, Prof.P.R.Gavali thanked all the PTA members' for attending the meeting
