

Rajarambapu Institute of Technology, Rajaramnagar
A brief report presenting
Analysis of Online Student Satisfaction Survey based on NAAC questionnaire
for AY 2024-25

Submitted to:

Dr. P. V. Kadole

The Director, RIT& Chairperson, IQAC

- Online survey was conducted during: **27.05.2025 – 3.06.2025**
- Total number of students considered: **3095**
- Total number of respondents: **2051**
- Percentage of students participated in survey: **66.26%**
- Overall institute index and range: **3.02 and 0.61**
- Statistics of survey

Academic Year	Mean	Median	Minimum	Maximum	Range
2024-25	3.03	3.02	2.73	3.34	0.61

Department wise index with range:

Sr. No.	Department	Index	Range	Participants (%)
1	Automobile Engineering	2.80	1	57.14
2	Civil Engineering	3.02	3	70.46
3	Computer Sc. & Engineering	3.03	1.6	20.79
4	Computer Sc. & Engineering AIML	2.73	0.9	73.23
5	Electrical Engineering	3.34	0.8	64.74
6	Electronics & Tele. Engineering	3.00	0.9	56.48
7	Information Technology	3.02	0.8	66.66
8	Mechanical Engineering	3.03	1	55.87
9	Mechatronics Engineering	3.08	0.7	65.09
10	MBA	3.21	0.8	48.70

Questionnaire where score is less than 3:

Q. No	NAAC Questionnaire	score
7	The institute takes active interest in promoting internship (offline/virtual) opportunities for students.	2.8
8	The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	2.7
10	Teachers inform you about your expected competencies, course outcomes and programme outcomes.	2.9
14	Teachers are able to identify your weaknesses and help you to overcome them.	2.9

Suggestions received:

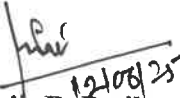

- Increase access to more industries regarding student internship and placement activities.
- Extend library utilization time for girl students.
- Encourage capstone projects in such a way that it could lead to startups.
- Increase frequency of field visits and arrange them during weekends.
- Online webinars are to be offered.
- Conducting activities related to skills development and training related to industry should be organized.
- Advanced courses and latest software tools related to latest technologies are to be increased in curriculum.
- Lockers are to be provided for students.
- Faculty interaction should be in effective and friendly manner.
- More technical clubs are to be encouraged.
- Same faculty member should check papers belonging to both the divisions of same branch so that marking scheme for the relative grading can be more effective.
- Teachers should know the students and their weakness.
- English communication skill of students and faculty should be improved.
- Management of annual sports events needs improvement.
- Book bank scheme is to be provided for all categories of students by considering preparation for examination.
- Students should be included in consultancy related work to enhance the theoretical/practical knowledge.
- Laboratories should be accessible even after office hours.

Complements received:

- Lecture monitoring system is effective.
- All faculty teaches in effective manner.
- Encouraging foreign languages.
- Arranging very good informative workshops/training programs.
