

“ Quantum-2K23 ”

Rajarambapu Institute of Technology (An Autonomous Institute affiliated to SUK), Rajaramnagar in association with Bharat Forge Pvt. Ltd., Pune had organized Quantum-2K23, a national level project competition for final year Btech students of all department on 7th December 2023. The competition is a significant event that aligns with our institutes vision and mission and it serves as a platform for our students. As this is technical event, it is beneficial for all the BTech students to concur the domain knowledge. In this event final year BTech students of 08 departments are participated and presented their capstone project work. For Quantum 2K23, we have received a very good response to the event. The total 667 students were participated in this event.

The prizes worth Rs.40 thousand were awarded to winners with trophy and certificate. To harness talent, Quantum 2k23 is a national-level project competition provides the opportunity to showcase project work on real-time problems faced by society and industry. The event was inaugurated on 7th December 2023 by Shri. Nitin Pagrut (Senior vice president - operations, Bharat Forge Pune) was present as the Chief Guest for the Inaugural Function. Director Dr. P.V. Kadole addressed the gathering with his inspirational speech. Dr. S. S. Kumbhar (HOD Civil Engg. Dept.) addressed the gathering and briefed about the journey of Quantum 2k23 . The layout of the event was given by Dr. L. M. Jugulkar, (Dean student development). Hon. Nitin pagrut addressed gathering with his inspirational speech and addressed about research opportunities in industries.

“ Glimpses of Quantum-2K23 Inaugural function ”

Lightning of holy lamp : Hon. Nitin Pagrut & dignitaries

Felicitation of Hon. Nitin pagrut by Dr. P. V. Kadole

Felicitation of Dr. P.V.Kadole by Dr. S. S. Kumbhar.

Felicitation of Dr. L. M. Jugulkar by Dr. S. S. Kumbhar

Chief Guest Hon. Nitin Pagrut addressing the gathering.

**Four Decades Forward. Celebrating RIT 40th Anniversary Reunion at
Lonavala, 23 - 25 Nov 2023***

The 40th anniversary reunion of RIT took place at Lonavala between 23 –25 Nov, 2023. It was a get together with a difference that provided memories for students from different economic backgrounds, rural to urban areas of Maharashtra coming together to educate themselves preparing for the nation building of Indian third industrial revolution. The students of those days forty years back stayed together at a time when 1 USD was just Rs. 11 and economy was less than Rs 8000 crores at various places of Islampur in 1983 . They had travel difficulties to college along with food and proper hygiene, and water shortages in those places . That survival made them tough to endure difficult challenges in life as they were absorbed in premier industries as Mahindra and Mahindra, Larsen and Toubro, Bombay Oil, J K Synthetics, Reliance, Prag industries, JM Baxi, Excel Industries, RCF, Mukund Ltd and other Central and State Govt firms based on their talent, knowledge, attitude and skills with mental toughness. Most of them rose to higher management level in their respective industries. The reunion at Lonavala was memories for these students who have evolved to be high flying professionals and head of families with their children employed abroad after higher education in prestigious foreign institutions. Some of the batch mates have become NRI citizens and settled abroad at USA, Dubai Singapore etc. We hope this 40 th Reunion pave the way for better stay and entertainment outing at different locations in future at the same period of third week of Thursday to Saturday in November every year.

Alumni Interactions

Department of Automobile Engineering

Mr. Rahul Naik, (2010-11 Batch) completed Masters in Vehicle Technology from Technical University of Kaiserslautern Germany. He has eight years of experience in automotive safety and electronics and now working as MD at F& N Consulting, Berlin. He interacted with students on “**Automotive Safety and Higher Studies in Germany**” on 4th December 2023.

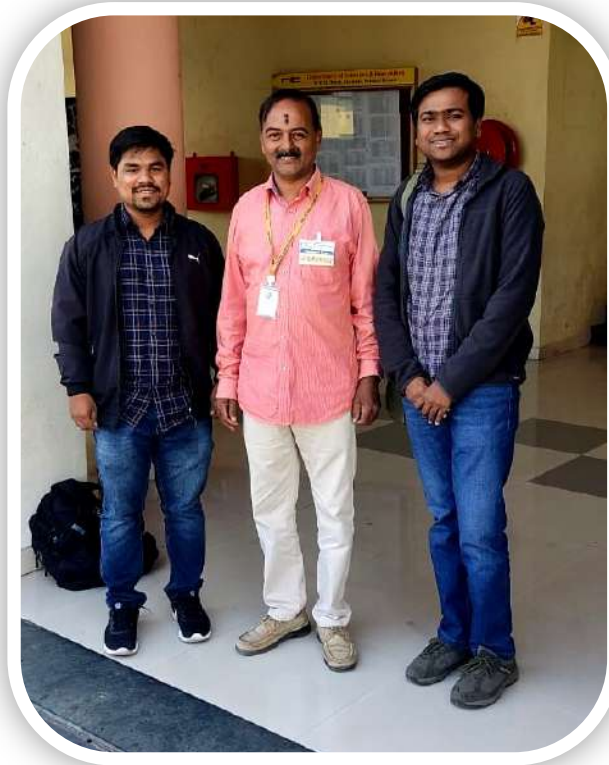

Mr. Milind Nalawade, (1993-94 Batch) worked as a judge for **Quantum 2k23** "A national level project competition" on 7th Dec. 2023.

Alumni Interactions

Department of Automobile Engineering

Mr. Vidyasagar Maske, (PG 2017 Batch) Chief Assistant Manager, Umicore Autocat India Pvt. Ltd. & **Mr. Aashish Sonawane** (PG 2017), Senior Engineer, L&T Technology Services (LTTS), visited the department on 17th December, 2023. They visited research facilities in Automobile Engineering. Department.

Alumni Interactions

Department of Information Technology

Mr. Hruturaj Nikam (2011Batch), Technical Officer, Centre for Development of Advanced Computing (CDAC Pune), Mr. Ramakrishna Jadhav (2011Batch), Sr. Software Consultant, Capita India pvt., Ltd., Pune, Dr. Sandip Thorat Assistant Prof. GCE, Avasari Pune, Mr. Rajnikant Devmore (2017 Batch), Senior Software engineer, ConnectWise LLP, Pune Mr. Dnyaneshwar Pawar (2019 Batch), Associate Software Development Engineer, Emtec Technologies Pvt. Ltd. Pune visited RIT on 30th December, 2023 for project assistance of B. Tech. students.

The following content delivered :

- Improving technical skill
- Guiding students from research perspective
- Soft skills and presentation skills
- Interview skills

Interaction with students

Interaction with faculties

Alumni Interactions

Department of Electrical Engineering

Dr. Abhijit Shate, CEO of SHARDA Electronics & Co. Sangli - Kupwad (Alumni of PG 2014) Inaugurated the Function Enthuse 2023 as a Chief Guest.

Post Graduate Alumni were present in campus for PG-NBA Alumni Interaction with Expert Team on 4th November 2023.

Alumni Interactions

Department of Mechanical Engineering

On October 4, 2023, **Mr. Abhijeet Patil**, a respected alumnus of RIT, visited our institute. He graduated from the 2009 B.E. Mechanical Batch. During his visit, he met with esteemed members of our institute, including Honourable Director Dr. P. V. Kadole, HoD Mechanical Dr. S. B. Kumbhar, and Prof. M. M. Mirza. Prof. S. V. Kadam facilitated the interaction with Mr. Patil.

Mr. Patil conducted a lecture for third-year B.Tech mechanical engineering students. The lecture focused on future opportunities and essential skills for mechanical engineering students to secure jobs and pursue entrepreneurship. Mr. Abhijeet shared his personal 12-year journey, transitioning from a mechanical engineer to a software developer and entrepreneur.

Such lectures are highly valuable for students as they provide insights into career prospects and real-life success stories. They offer students a broader perspective on potential career paths in traditional mechanical engineering fields and related entrepreneurial ventures involving software development.

Alumni Interactions

Department of Mechanical Engineering

Alumni 2002 batch of mechanical engineering department visited RIT. The visit not only strengthened the bond between the alumni and the institute but also cemented the way for collaborative efforts in enhancing student experiences, fostering industry connections, and contributing to the growth and development of the alma mater.

Dr. Samir Kumbhar took the opportunity to discuss the recent developments within the department, receiving appreciation from the alumni for the progress made. The alumni, in turn, took the initiative to explore the laboratories and library, acknowledging the new developments implemented since their time as students. This visit helps in organizing industrial visit, campus interview, and externship. Following is the list of alumni visited.

Name	Contact Number	Position/Company	Location
Junaid Shaikh	9819971143	AVP, Control Case Consulting and PMO	Pune
Sandip Jagtap	9822508680	AGM, JCB India Ltd	Talegaon, Pune
Swapnil Zope	9869867557	Engineering Manager, Weatherford International	Mumbai
Sanjaykumar Pavashe	9822057666	Manager of Strategic Sourcing, Endress+Hauser Flowtec (I) Pvt Ltd	Pune
Amol Charankar	9860805521	Sole Proprietor, Gurukul IIT & NEET Academy	Peth Vadgaon, Kolhapur
Chirag Shah	9689904986	Manufacturing Engineer, John Deere	Pune

Alumni Interactions

Department of Mechanical Engineering

UG Mechanical NBA

On November 4, 2023, the Mechanical Engineering Department at RIT was visited by the National Board of Accreditation (NBA) committee. These alumni, who are distinguished members of the industry, took the opportunity to explore the institute's progress and development during their visit.

The alumni expressed profound respect for the overall advancement of the institute, specifically highlighting the commendable growth within the Mechanical Department. Engaging in a meaningful exchange, the alumni actively participated in discussions with the Final Year B.Tech Mechanical students, sharing valuable insights and experiences from their professional journeys.

The visit also facilitated interactions with prominent figures within the institute, such as the Head of the Mechanical Department, Dr. S. B. Kumbhar, and Professor M. M. Mirza. Prof P. M. Jadhav. Professor S. V. Kadam conveyed felicitations to the alumni on behalf of the entire RIT family. This visit served as a platform for fostering connections, exchanging knowledge, and celebrating the success and progress of the Mechanical Department at RIT.

Alumni Interactions

Department of Management Studies (MBA)

Mrs. Shital Jamdade (2008 Batch) work as Assistant Professor in Swayam Siddhi Institute of Management, Thane visited to the institute on 18th Oct. 2023. During the visit she has interacted with department faculties & students regarding emerging trends in operations management in the global market.

Mr. Prashant Dubal (RIT MBA 2013 batch) work as Entrepreneur, Mudra Colour Copiers, Palus, Dist. Sangli visited to the institute on 21st Nov. 2023. During the visit she has interacted with department faculties & students regarding challenges faced by entrepreneurs in printing business.

-----Editorial Board-----

- ◆ Prof. Dr. L. M. Jugulkar (Dean, Student Development)
- ◆ Prof. M. M. Mirza (Chief Alumni Officer)
- ◆ Prof. S. T. Satpute (Automobile Engineering)
- ◆ Prof. Y. M. Patil (Civil Engineering)
- ◆ Prof. Mrs. A. R. Gavade (Computer Engineering)
- ◆ Prof. Dr. M. S. Kumbhar (Electronics and Tele. Engineering)
- ◆ Prof. Dr. A. R. Thorat (Electrical Engineering)
- ◆ Prof. D. T. Mane (Information Technology)
- ◆ Prof. S. S. Karanjkar (MBA)
- ◆ Prof. Mahesh Yadav (Civil Engg. Diploma)
- ◆ Prof. Dr. Pradip N. Pawar (Sciences and Humanities)
- ◆ Prof. Dr. Ms. D. M. Kadam (Sciences and Humanities)
- ◆ Mr. S. J. Dhumal (Computer Science & Engineering)
