## Department of Civil Engineering

On Monday, 30<sup>th</sup> May, 2022, Time: 10.00 pm -5.00 pm,  
Venue: Department of Civil Engineering

### A Report on "Vaastu 2022" Event

The students of civil engineering department under Civil Engineering Students' Association (CESA) organizes the 'Vaastu' event every year. "Vaastu", a state level technical symposium, is a platform for students to show their leadership abilities, technical skills and to make self assessment. This year also, CESA has organised "Vaastu 2022" event under the guidance of departmental faculty and staff on Monday, 30<sup>th</sup> May, 2022. Various technical activities namely as Chaturya, Poster Presentation, CAD and IPL Auction were successfully organised. This time, more focus was given on the technical activities.

The event was inaugurated on Monday, 30<sup>th</sup> May, 2022 in the presence of chief guest Mr. Dattatray Desai (CEO, DHD Buildcon Karad), Er. Sunil Tavate (President Walwa Taluka Engineers Association), Mr. Ganesh Patil (President, CREDAI, Islampur), Dr. Mrs. S. S. Kulkarni, Dr. P. D. Kumbhar and student representatives by lighting the traditional lamp. Student Coordinator also felicitated the chief guest by offering a bouquet and the mementos.

Dr. P. D. Kumbhar (Head, Department of Civil Engineering, RIT) introduced about the department. He briefed about the importance of events and the various activities included in order to achieving student's development. He also shared the experiences of his college hood, and he emphasized the need of organising such technical events for student's development.

Hon'ble Dr. Mrs. S. S. Kulkarni wished the students to participate in this event and motivated the student participants to learn new technologies as industry is moving towards atomization. She also advised to make use of technology for their overall development so that they can easily get absorbed in the organizations.

Mr. Ganesh Patil and Er. Umesh Raygandhi advised to students to take benefit of the facilities made available in the institute and also appealed to enjoy the college life by participating in the various events organised by department. He shared his experiences in his collegehood and also professional life. He appreciated the participation of the students in various activities in "Vaastu" event and wished for the great success for the "Vaastu" event.

Student representative Miss. Aishwarya Thorat, expressed the vote of thanks and concluded the inauguration function. Chief guest & all the invitees were requested to take a look of various activities organised under Vaastu event. The students who were appointed as event heads briefly explained about the activities to the guests soon after their inauguration. In all 270 students from RIT and nearby engineering institutes were participated enthusiastically in various activities.

Prof. A. A. Idate  
Faculty Coordinator, CESA

Dr. P. D. Kumbhar  
Head, Dept. of Civil Engg.
