

Civil Engineering Student Association (CESA)

Brief Report on “VAASTU 2022-2023” Event

The students of Civil Engineering department under Civil Engineering Students Association (CESA) organizes the ‘VAASTU’ event every year. “VAASTU”, a State Level Technical Symposium, is a platform for students to show their leadership abilities, technical skills and to make self-assessment. This year also, CESA has organised “VAASTU 2022” event under the guidance of department faculty and staff on Monday, 16th November 2022. Various technical activities namely as Chaturya, Samartya, CAD, Carrom and BGMI were successfully organised. During this event, more focus was given on the technical activities.

The event was inaugurated by lighting the lamp on in the presence of chief guest Mr. Ganesh Patil (President, CREDAI, Islampur), Dr. Mrs. S. S. Kulkarni, Dr. S. S. Kumbhar, Dr. P. D. Kumbhar, Dr. H. S. Jadhav and student representatives Miss. Anuja Madane, Mr. Onkar Hubale. Later, student Coordinator felicitated the chief guest by offering a bouquet and the mementos.

Dr. S. S. Kumbhar (Head, Department of Civil Engineering, RIT) introduced about the department. He briefed about the importance of events and the various activities included in order to achieve student’s development. He also shared the experiences of his college hood, and emphasized the need of organising such technical events for student’s development.

Hon’ble Dr. Mrs. S. S. Kulkarni wished the students to participate in this event and motivated the student participants to learn new technologies as industry is moving towards atomization. She also advised to make use of technology for their overall development so that they can easily get absorbed in the industrial organizations.

Mr. Ganesh Patil advised to students to take benefit of the facilities made available in the institute and also appealed to enjoy the college life by participating in the various events organised by department. He shared his experiences in his college hood and professional life. He appreciated the participation of

the students in various activities in “VAASTU” event. On the behalf of CREDAI family he has given financial assistant to organizing committee of VAASTU.

Student representative Miss Pratiksha Kachare and Miss Sanika Bhakte expressed the vote of thanks and concluded the inauguration function. Chief guest & all the invitees were requested to take a look of various activities organised under Vaastu event. The students who were appointed as event heads briefly explained about the activities to the guests soon after their inauguration. All the events in VAASTU were having prizes of worth Rs. 25,000.00. In all 217 students from RIT and 64 students from nearby engineering institutes were participated enthusiastically in various activities during VAASTU 2022.
