Rajarambapu Institute of Technology, Rajaramnagar
(An Autonomous Institute, affiliated to SUK)
Department of Civil Engineering

On Friday, 15th February 2019, Time: 10.00 pm -5.00 pm,
Venue: Civil Engineering Department.

A brief Report on “Vaastu 2019”

Every year “Vaastu”, a state level technical symposium is organized by students of Civil Engineering Department under the aegis of Civil Engineering Students Association (CESA). CESA is a platform for students useful for self assessment and improvement in technical as well as leadership skills. This year also, CESA had organised “**Vaastu 2019**” event under the guidance of departmental faculty and staff. Various technical and non-technical activities namely **Setu, Samarthya, Chaturya, Cad-Guru, Cricket Blast, Reckon Hunt and Carom** were successfully organised. This time, more focus was given on the technical activities.

The “Vaastu” event was scheduled during 15th February, 2019. The event was inaugurated on Friday, 15th February, 2019 in the presence of chief guest Hon’ble. Mahesh More (President, Walawa Takuka Engineers Association, Islampur), Guest of Honor Hon’ble. Mr. Amol Patil (Secretary, Walawa Takuka Engineers Association, Islampur), Dr. Mrs. S. S Kulkarni (Director, RIT), Dr. P. S. Patil, Dr. A. C. Attar, Dr. P. D. Kumbhar and student representatives by lighting the traditional lamp.

Dr. P. D. Kumbhar felicitated the chief guest Hon’ble. Mahesh More and Hon’ble. Mr. Amol Patil by offering a bouquet and the mementos.

Dr. P. D. Kumbhar (Head, Civil Engineering Department, RIT) introduced about the department and also briefed about the importance of events and also wished the students to participate in this event and motivated the student participants to learn computer programming languages as industry is moving towards automation. He also advised to make use of technology for their overall development so that

they can easily get absorbed in the organisations. Hon'ble. Mahesh More, in his speech addressed the student participants to work on some kind of mechanism which will help in saving the lives of people in the event of disasters like earthquakes and Landslides.

Hon'ble. Hon'ble. Mahesh More and Hon'ble. Mr. Amol Patil advised students to take benefit of the facilities made available in the institute and also appealed to enjoy the college life by participating in the various events organised by the department. He shared his experiences in his collegehood and also professional life. He appreciated the participation of the students in various activities in "Vaastu" event and wished for the great success for the "Vaastu" event.

Student representative Miss Vaibhavi Dige, (Member of CESA core committee) expressed the vote of thanks and concluded the inauguration function.

Hon'ble Hon'ble. Mahesh More and Hon'ble. Mr. Amol Patil visited all the laboratories of Civil Engineering Department and also inaugurated various activities of the Vaastu event. The concern activity heads briefly explained about the activity to the chief guests.

In Vaastu event in all 700 students had participated enthusiastically in various activities. The entire event was organised by the students and hence they could learn many things

Prof. A. A. Idate.

Faculty Advisor, CESA.
