

The Process of Scrutinizing applications for various faculty positions at RIT in 2024.

- RIT proposes the process of scrutinising received applications for the respective post based on the data submitted by the applicant.
- To aid the process of final selection for the advertised post of Assistant Professor in various departments, RIT proposes to schedule a colloquium. which is proposed to be attended in-person by the applicants at RIT campus.
- Applicants for the post of Associate Professor and Professor in various departments would attend the university selection committee interviews directly.
- The schedule of University Selection Committee for final interview would be available on college website well in advance.
